

Bottineau Transitway Alternatives Analysis Study

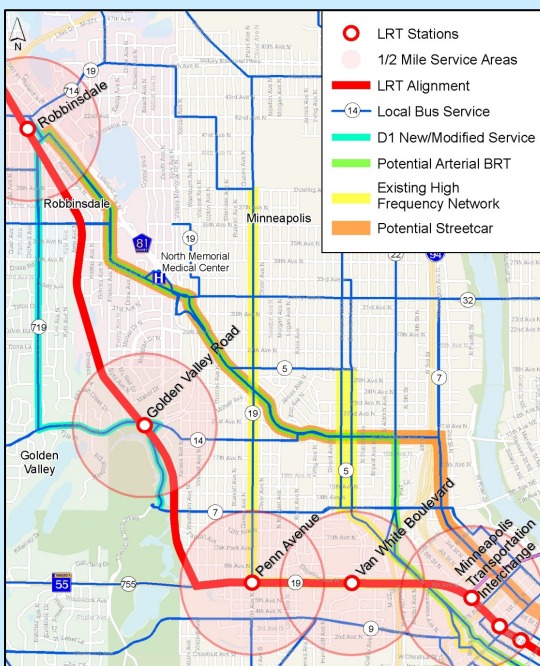

May-June 2010 Public Meetings

Segment D1 (BNSF Railroad Corridor), Segment D2 (Penn Avenue)
Investigation

Through the communities of: Golden Valley-Robbinsdale-Minneapolis

Area residents, businesses, and institutions are encouraged to attend three meetings to obtain information and provide input related to the investigation of Segment D1 (BNSF Railroad Corridor) and Segment D2 (West Broadway/Penn Avenue) LRT alignments through the communities of Golden Valley, Robbinsdale, and Minneapolis.

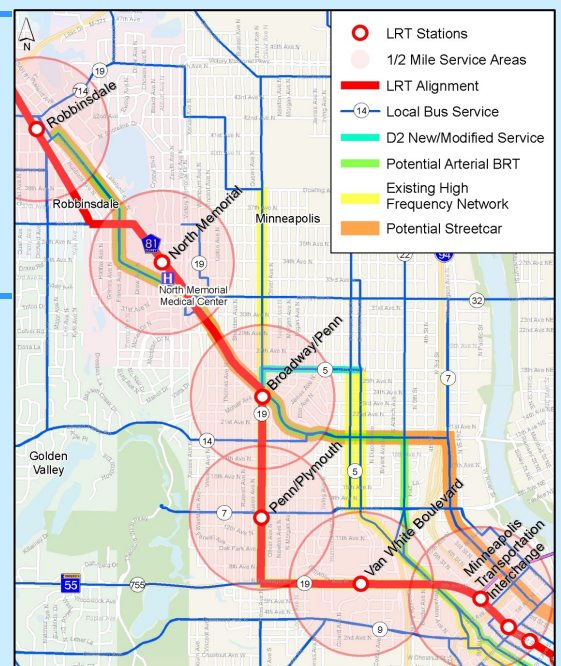

The intent of the first **Transit Oriented Development Meeting** is to provide information on the relationships between economic development potential in relation to transitways. The intent of the **two open house meetings** is to provide information and obtain public input on the investigation of the Segment D1 and Segment D2 alignments. Staff will be available to collect input and provide information. A slide presentation is planned for 6:30 PM at each open house. Opportunity to sign up for future corridor updates via email will be provided.
